

Registration

“Now *That’s What I’m Talking About!*”, a summer lunch program for children in school and younger, is available for children in Claridon and area covered by Berkshire and Cardinal School District this summer. It will fill a gap within our community in a new way, providing free lunches to our school children. It will ensure that our kids are not going hungry and provide a sense of security to families around food stability during the summer months.

One of the most unique parts of Summer Lunch is that we welcome children to enjoy a free lunch whether the family is in need of financial assistance (according to government guidelines) or not. We are creating a space that welcomes people of all backgrounds to enjoy lunch without fear of judgement.

Children will receive a hot lunch on Monday, Wednesday and Friday. They will also receive a bagged lunch on Monday and Wednesday for Tuesday and Thursday. Rather than delivering the lunches to each child’s home, they will be distributed at central pickup locations throughout the community. **Meals will only be given to children who are present, not to parents or caregivers.**

Children MUST be preregistered. Children can be registered by returning this form in the mail, registering online or over the phone. Registration is ongoing. Those received by May 20 will be used to determine delivery locations. Delivery locations will be announced May 23, 2022.
